

Mission Statement:

To impart and instill in people hope and an expectant faith in God.

To motivate people to pray, believe, and act on the word of God with the power of the Spirit of God in them.

Upon its founding in 2003, Expectant Faith World Ministries was commissioned to the nations with the mission to teach people how to walk in faith with the manifestation of victory in their everyday life regardless of their circumstances and to destroy hopelessness; whether it is hopelessness that poverty breeds, that a lack of education brings, or the hopelessness that comes from a lack of faith in dealing with the struggles of every day life.

To God be the glory this ministry was birthed to bring hope and to empower and strengthen people with not only faith in God but with the faith of God and the power of the Holy Spirit.

Statement of Faith

We Live By Faith Or We Don't Live At All.

Either We Venture Or We Vegetate.

We Risk Or We Rust.

Faith In God's Provision

and Reward Is Our Security.

We Do The Unusual.

Our Faith Is Not Belief Without Proof,
but Trust Without Reservation!

Rev. Foster & Rev. Rochelle Clark
Rev. and author Foster and Rev. Rochelle Clark founded Expectant Faith World Ministries in 2003. He is an Air Force and Desert Storm Veteran who answered the call into ministry in 1989 while still in the Air Force. Expectant Faith World Ministries has touched many souls, changed lives, and strengthened and empowered the faith of people not only in the United States but also in Africa, Bangladesh and Haiti

John 16:33 "...In the world you will have tribulation; but be of good cheer, I have overcome the world."

Stop living below God's standard is not a catchy phrase or slogan, it is how WE CHOOSE to live, pursue, think, accept, release and deal with circumstances that affect our everyday life. From marriage to ministry or forgiveness to finance we have a choice.

This conference has been a year and a half in the making and is for the every day Christian who has at times struggled with life and has asked the question: "Why is life so hard?"

Everything is not the enemy's (the devil) fault. Sometimes we are our own worst enemy. Are the hurts and pains people go through in life real? Absolutely! Does it sometimes take time, counseling and various other resources to get over them? Of course! A great deal of the struggle that people go through in life, reasons people stay unhappy or settle for the mindset "Oh, well, I guess this is as good as it gets", are because of the choices they choose to make. People choose to forgive but not change with that forgiveness or let go of the hurt. People choose to hold onto their money so tightly, not living according to God's biblical principals of finance and faith, wondering why they're not blessed. People choose to think in a protective mode in their mind, not a victorious, moving forward mode and therefore they stop thinking and speaking with the promises of God and instead just dig in and pray to get through the day. People choose to stop pursuing their spouse in their marriage and wonder why it has grown cold and stale; has no passion, intimacy or excitement.

This Conference / Revival is all about how to "Stop Living Below God's Standards" in our every day life so it's not harder than it has to be, so we can "be of good cheer" and walk in daily victory.

The conference format is currently as follows:

Thursday Evening Service, 7:00 PM - Friday Evening Service, 7:00 PM - Saturday Morning Seminars and Evening Service 7:00 PM - Sunday morning service close out.

In the evening services God is going to inspire, uplift and encourage your faith as well as break off spiritual bondages and hindrances. The seminar classes on Saturday are designed to affect change in our everyday life.

Saturday Morning Seminars

1. *Moving forward*

"Breaking the chains of the past"

Too many people are hindered in their lives because of past events that control their emotions, their decisions, their attitude, and now their present. You can't move forward freely and completely until you release and break the "Chains of the past".

2. *Biblical Principals of Finance*

"How your giving affects God's outpouring"

In this time of financial hardship with such a strained economy this is not the time to pull back but to trust God and stand on God's word concerning finance and provision.

3. *A Victorious Mindset*

"It's not what it looks like"

Don't let what your eyes see govern what your mind thinks, your mouth speaks, or what dictates your actions. It's not what it looks like!

4. *Marriage*

"The pursuit"

As Christians we pursue God out of our love and desire to continually get closer to Him. We accomplish this through spending time in His word, praising and worshiping Him, devoting time to be intimate with Him. Although we love our spouse, without the same passion, effort and determination we lose the "pursuit" of each other and the fresh fire and intimacy begins to weaken. We become complacent and the marriage has the tendency to become stale and mundane. The embers are still burning — it's time to ignite the flame. This session is for adults only and takes place on Saturday Evening.
